There are 6 daughters of U K LEISHMAN by the Perth reserve champion and top selling bull, Cruggleton Leishman, and these should never leave the farm. There are 12 daughters of BARONY SCOTSMAN 135th. There are 2 daughters of LOUADA FEARLESS - 3 by FONTANA'S DRUM-MAJOR, 3 by KICKAPOO ALLEGIANCE. Several by KAR-BURN BASIS, outstanding breeding son of the \$35,000 Leveldale Basis. Others by LEVELDALE NORTH LIGHT, EDELLYN BRAVE BOY and ROYAL TALISMAN 7th by Ringwell Illustrious.

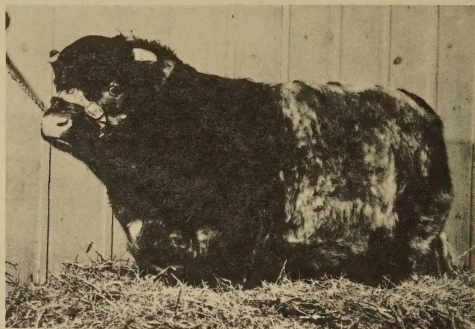

Just to show you that we MEAN BUSINESS and are giving you some of our best, we are also selling an outstanding daughter of LOUADA NUGGET. She was bred on July 10th to Glastullich Gold by Bapton Belmoral. All in all, a very valuable group of females, a group we are indeed proud of.

NORTHWOOD PIONEER MAJOR -- Service sire of a large number of Lots in this sale and total service of females safe in calf to Major number well over 50 head. We like this bull and just shortly before the sale, his first calves arrive and they sell with their mothers. We hope you will share the confidence we have in this great young bull, with a gaining weight while on test, of 3.25. We call him the "pounds bull", yet you will find him in working condition, the way we keep our herd bulls. He has a great head -- plenty of size and scale. A bull that is tremendously smooth and with a hindquarter that is hard to beat. A look at his pedigree even excites you more with Bapton Pioneer, the Bull of Bulls at Northwood -- Bapton Cairnbrogie, full brother to the Bull of the World, Bapton Constructor. His dam is equally as famous by Aldie Kinsman by Calrossie Adonis by the great Kirkton Baronet and Scotsdale Bombardier, an International grand champion. Combine them all and then come see this bull and you'll want his services.

FONTANA DRUMMAJOR -- Here was the 1960 Missouri State Fair reserve grand champion bull that we had the misfortune to lose early in life, although we have about 30 sons and daughters on the farm and several of his best are in this sale. He was a very thick, heavy-boned son of Glastullich Crusader and out of a daughter of Beaufort Bulldozer. Certainly few bulls have a stronger pedigree and his conformation was hard to fault.

He had been a 5th prize senior bull calf and a member of the 1st prize Group of Three Bulls at the 1960 Chicago International Livestock Show. We had the misfortune to lose this bull by lightning. We did get 16 calves by him and 5 of his sons and 3 of his daughters, sell in this sale. I think you'll agree that he would have been a great breeding bull, had he lived. A bull with a grand head, plenty of depth and his dam was by the \$6,000 Calrossie Valiant.

SHORE ACRES EARMARK -- Sometimes decisions need to be made and we have decided to share this good, young bull. We are selling 2/3's interest in Ear-mark, with possession. We will retain semen rights. The calves on the ground now, already stamp him as a breeding bull. Sired by Philorth Expression by Pittodrie Noah and out of one of the great cows at Shore Acres. Fortunate will be the new owner of Earmark -- with the guesswork taken out of a bull that has outstanding calves on the ground. He's sure -- sound and will be one of the good bulls to sell anywhere this spring.

He has run with 14 heifers this past season, and settled all of them. He was the fourth highest selling bull in the 1962 Canadian International Sale where 59 bulls were sold. He was 2nd in class at the Canadian National and was 1st in class at the Canadian International Bull Sale, having defeated the calf that beat him at the Canadian National. He was also reserve junior champion in the 1962 Missouri State Fair. His grandsire, Balbithan Red Admiral, was 1st at Perth in 1957, reserve grand champion the same year at the Canadian National. Paternal granddam, Orange Fluff, was one of the best ever imported from Scotland, according to Gene Mathers. KAR-BURN ESCAPADE -- A young son of the Missouri State Fair champion, Fontana Drummajor. Too young to sell, but a good prospect.

From the Sale Manager:

There's just No Foolin' about this great set of cattle that Cary Colburn and Dick Karst are offering on April 1st. They are selling a great set of young herd bull prospects, including the young two-year-old proven sire, SHORE ACRES EARMARK. I'd like to call special attention to the 5 outstanding young sons of the \$3,000 Kickapoo Allegiance and there are several by the Missouri State Fair reserve grand champion, Fontana's Drummajor, that you are also going to like. A special attraction is the Canadian-bred two-year-old, Sandoon Sensation, a grandson of Balbithan Red Admiral and Cruggleton Permit.

The Kar-Burn herd has an interesting background. Cary Colburn bought his first Shorthorns in 1937 from the well-known herd of Gregg Farms which were also located near Harrisonville. Dick Karst, who had had earlier cattle experience in Kansas and Missouri prior to his return from the armed services in March, 1955, joined Kar-Burn at that time. Following this, several years were spent in building a solid foundation. Top females were selected at national sales, such as the Kentucky Futurity, Edellyn Farms, Chicagoland, Best of the Midwest, Kickapoo, Von-Ber-Mar and other top sales.

It wasn't long before Kar-Burn Shorthorns began gaining attention. They bred the Champion steer at the 1960 Missouri State Fair; the reserve grand champion steer of the 1960 Inter-State Show and Sale at St. Joe as well as the reserve grand champion steer at the American Royal at Kansas City.

I have always admired the determination of Gary Colburn and Dick Karst to own top herd sires. When they paid \$3000 for the 1961 Kickapoo Farms sale top bull, Kickapoo Allegiance, and they a few months later, had the misfortune to loose him by lightning, they turned right around and followed with the purchase of another great young bull, Northwood Pioneer Major by Bapton Pioneer. See his first calves on the ground at sale time and they are sure to please.

You're going to find cattle that have been handled right, cattle that are healthy. All females are calfhooed vaccinated and all double vaccinated for blackleg. Dick Karst has a wonderful record of breeding dates and you'll find most of the females carrying long and sure services.

Because they have always tried to support the Junior Shows, they are also offering 2 top young August club steers. These were too young to sell last fall, but they are now well on their way for someone looking for something special.

I. J. Ham & Son, Prescott, Kans. are bringing a top young bull and 8 young heifers, all sired by the famous Uppermill Wordsworth. This rounds out an offering that should appeal to good cattlemen everywhere and we hope to see all our friends at Kar-Burn Farms at April 1st.
